

Corporate Recruiting & Placement Services

If you're a corporation looking for help recruiting your next top hire, Copeland Coaching can help. For corporate clients, Copeland Coaching provides corporate recruiting and placement services.

We use a hands on approach to personally match candidates to your specific hiring needs. If you're interested to expand your recruiting reach, contact us today. The steps are easy.

1. Contact Copeland Coaching and setup a free consultation with Angela Copeland to review your unique staffing needs. Angela will meet with you to explain the recruiting process in more detail and to answer any questions you may have.
2. Angela will hand select multiple candidates who may meet your staffing needs. She will present those candidates to you, and answer any additional questions.
3. You will then review and select the candidates that you're interested to interview.
4. You will select the candidate that best meets your hiring needs!

Copeland Coaching is here to partner with your organization. To learn more, contact Copeland Coaching at Angela@CopelandCoaching.com, or by phone at 901-878-9758.
